Staircase kitchen is one of the type of kitchen floor design that can be arranged in the hallway. Although this layout is not as big as the kitchen floor design, you can still make it one of your favorite room. If you do not want to build a new kitchen, this one is great to replace the old with. Whether you love the design or not, you can surely find the perfect kitchen to decorate your home. Here we will share with you the best ideas for kitchen renovation that you can try with an easy plan. Kitchen storage solutions are the vital you should decide. Perhaps, you have some old cabinet but it is not very beautiful anymore. In this situation, you must repair or refurbish cabinet with paint color and also get a new design or style. For sure, you will feel that you make your kitchen look renewed if you do these things. Another idea that you can try with the staircase kitchen is the skylight. It is also one of the best ways to brighten your kitchen. You must choose a skylight that is suitable with the space of your kitchen. You need to measure your kitchen so you can check the size of skylights, which should be installed into the ceiling of the kitchen. By the way, if you want to make your kitchen looks more attractive, you can do various simple design. You can simply change your old style with the new and chic one. You will not have to change much, but you must try a new idea on this. For example, if you like the dark and retro look, why not try the colorful look. This is quite acceptable. Kitchen is not only a space for cooking food and also a space to store and mix up different objects. It can also provide a place where you can entertain with your friends or have a meal. You must make your kitchen as a place which makes you feel relaxed and having a good time when you
